

NEMWA Preseason Tournament

Saturday, December 12, 2015

Hosted by Farwell Youth Wrestling Club

**470 E Ohio St.
Farwell, MI 48622**

This is an USA Sanctioned event. All wrestlers must have an USA card in order to compete.

This is a NEMWA preseason tournament with all proceeds going into NEMWA general fund to help offset the purchase of 16 time clocks for all NEMWA hosting clubs to use at their tournaments...

We are once again asking that ALL NEMWA clubs help out during this tournament by helping at tables during the day.

We will follow NEMWA rules. We will be using track wrestling, so all wrestlers and weights must be entered into Track Wrestling by Wednesday, December 9th 9 pm. Coaches meeting will be at 9 am on Saturday, we will begin wrestling at approx. 9:30 am. Please remember if you enter a wrestler into Track wrestling and they do not attend the tournament, they will still need to be paid for. For any trackwrestling, pairing questions please contact Beth Bailey at 989-429-1205 or piggiebailey@ejourney.com
